COMMONWEALTH OF MASSACHUSETTS**

**WARRANT FOR
SPECIAL TOWN MEETING**

County of Dukes County, SS
To Either of the Constables of the Town of West Tisbury,

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of West Tisbury qualified to vote in elections and in Town affairs to meet in the **West Tisbury Elementary School**, Old County Road, in said Town on **Tuesday the sixteenth day of November, two thousand and twenty-one**, at **seven o'clock** in the evening; then and there to act on the articles of this Warrant.

ARTICLE 1: To see whether or not the Town will vote, in accordance with G.L. Chapter 41, §110A, to authorize the Town Clerk's office to remain closed on all Saturdays and to treat Saturdays as a legal holiday for purposes of calculating the time frame for filing matters in that office or take any action relative thereto. **(NO ACTION 4-1-0)**

ARTICLE 2: To see if the Town will vote to authorize the Select Board to amend the TriTown Ambulance Agreement to change the assessment formula to calculate the payments made by each town (Aquinnah, Chilmark and West Tisbury) to allocate expenses such that each town pays 1/3 of 75% of the budget, and the remaining 25% of the budget will be allocated to each town based on call volume. Revenue generated from insurance reimbursements shall be applied to the budget with the same formula, each town pays 1/3 of 75% of the revenue split evenly, the remaining 25% of the revenue will be allocated to each town based on call volume. **(NOT RECOMMENDED 4-1-0)**

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of \$5,000 (Five Thousand Dollars) for the purpose of contributing a Town share of local matching funds for a MA Coastal Zone Management coastal resiliency grant to the Martha's Vineyard Commission for an Island-wide Storm Tide Pathways study and mapping project. **(NOT RECOMMENDED 5-0-0)**

ARTICLE 4: To see if the Town will vote to authorize the Select Board for the Town to enter into a certain intermunicipal agreement ("IMA") with the Up-Island Regional School District (the "District"), the Town of Aquinnah, and the Town of Chilmark related to the financing of the remaining costs of the project to upgrade/replace the HVAC system at the Chilmark Elementary School located at 8 State Road in Chilmark, Massachusetts, including costs incidental or related thereto (the "Project") and to provide for the apportionment of costs, all on such terms and conditions as the Select Board determines are in the best interests of the Town; and to approve the District's proposed financing of the Project in accordance with the terms set forth in such IMA; or to take any other action relative thereto.

Article Information: *The purpose of this article is to authorize the Select Board to enter into an agreement with the Up-Island Regional School District and the other member towns of the District to authorize and approve the financing of the remaining funds necessary to complete the Project via a borrowing of such funds by the Town of Chilmark on behalf of the District. As stated in the proposed IMA, the Town of Chilmark, rather than the District, is acting as the borrowing entity in order to secure more favorable borrowing terms than the District would be able to secure if the District were the actual borrower. The maximum principal amount being borrowed is*

\$950,000, with the actual terms of the borrowing to be finalized at the time the borrowing is actually entered into. The amounts payable by the member towns, including the Town of West Tisbury, are to be paid over a period not to exceed ten years. The proportionate share of the Project costs for each member town is to be determined in accordance with the Regional Agreement for the District with the Town of Chilmark responsible for eighty percent of the costs and the Towns of West Tisbury and Aquinnah responsible for the remaining twenty percent of the costs to be apportioned based on the respective number of students from each member town actually attending the Chilmark Elementary School. ***Article Information:** The total cost of the entire UIRSD West Tisbury Roof project is estimated at \$643,713. The total additional amount needed for the UIRSD West Tisbury School Roof project is estimated at \$321,713. (RECOMMENDED 5-0-0)*
